

Sheffield Teaching Hospitals NHS Foundation Trust The Jessop Wing

Baby Memorial and Thanksgiving Service

In the spring of each year the Jessop Wing holds a Baby Memorial and Thanksgiving Service which allows parents and their families to remember their babies with love.

The well attended service is held at St Andrew's Psalter Lane Church and lasts approximately 45 minutes. Included are a themed act of remembrance and the reading of baby names.

Invitations are sent out through the post, early in the year, to all families who have lost a baby, whatever the gestation.

If you **do not wish to receive an invitation** to this service please contact:
