Brass Butterfly Order Form

BEREAVEMENT SUITE GARDEN

At the Jessop Wing we have a small, private bereavement garden with a steel frame in which to hang these brass butterflies.

Brass butterflies can be purchased, engraved and hung on this frame. The butterflies can be purchased at a cost of £20 each and then engraved with your baby's name, date of birth, date of death and a short message.

If you purchase a butterfly we will contact you when it is ready for collection. The butterfly can then either be hung in the bereavement suite garden or taken home, to do with as you wish.

If you wish to order a butterfly (or as many as you want), please complete the order form overleaf.

For further information please contact:
