Attached at Appendix A is the latest Integrated Performance Report. For each of the elements, the responsible Director will highlight the key issues.

2. Appointments

I am delighted to announce the appointment of Karen Jessop to the post of Nurse Director for OSCCA (Operating Services, Critical Care and Anaesthesia) who will take up her duties from 16 February 2016. Karen is currently the Divisional Nurse Manager, Cardiovascular and Critical Care Division at the Hull and East Yorkshire Hospitals NHS Trust.

In the interim period, Catherine Bailey, Nurse Director of MSK, has kindly agreed to oversee the Nurse Director role in OSCCA until Karen formally takes up her post.

I am also delighted to announce the appointment of Dr Sue Matthews as Clinical Director of Medical Imaging and Medical Physics (MIMP), who commenced in this role on 1 January 2016.

Dr Matthews has worked for the Trust since 1994, when she joined as a Specialist Registrar, and was appointed Consultant in Thoracic Imaging in 2000. She has since gained a wealth of experience in the medical imaging field and has been Radiology Lead at both the Northern General and Weston Park hospitals previously.
