PROCEDURAL GUIDANCE ON APPROVING AN EXCEPTIONAL RE-APPOINTMENT FOR A NON-EXECUTIVE DIRECTOR

1. Background

Section 4.6 of the Standing Orders of the Board of Directors stipulates the standard Term of Office for a Non-Executive Director is no more than four years and sets the maximum tenure at two consecutive Terms of Office.

Provision is made in Section 4.6 for the maximum tenure to be extended, once only, by annual reappointment in exceptional circumstances.

2. Criteria for approving an Annual Re-appointment

Circumstances may be deemed *exceptional* if a re-appointment of tenure would maintain stability when the:

- a) Board of Directors and/or the Trust is experiencing a period of stress, or
- b) Board of Directors faces an unplanned sudden and simultaneous loss of a majority of its Non-Executive Directors, or
- c) Board of Directors requires specialist Non-Executive Director input to manage and resolve a time-limited issue, or
- d) Significant structural organisational change

3. Process for seeking approval for an Annual Re-appointment

Approval for a re-appointment to the maximum tenure for an individual Non-Executive Director must be given by the Council of Governors' Nomination and Remuneration Committee which will in turn make a recommendation to the Council of Governors for final approval.

The case for an extension in exceptional circumstances may be initiated by either the Board of Directors or its Nomination and Remuneration Committee, or by the Council of Governors or its Nomination and Remuneration Committee. Any extension should be in alignment with national policy direction. Further advice should be sought from the South Yorkshire Integrated Care Board or NHS England as and when required.

The case must be based on the exception criteria outlined in Section 2 above and should be submitted by a paper to the Council of Governors' Nominations and Remuneration Committee.

In its deliberations, the Council of Governors' Nomination and Remuneration Committee should pay due regard to:

- the issue of eligibility under the exception criteria outlined in Section 2
- matters normally considered in the re-appointment the Non-Executive Director i.e. assessing the existing candidate against the current updated job description and person specification
- additional relevant issues, such as
 - the Non-Executive Director's past annual performance appraisal(s)

- any changes in the Non-Executive Director's commitments that may have a bearing on the time required to undertake the role
- any change in the Non-Executive Director's independence, particularly their length of service which is relevant to the determination of their independence (as set out in Section A.3.1 of Monitor's *Code of Governance*).

Appointment

Subject to final approval by the Council of Governors, the Non-Executive Director will be appointed for one year only. Further extensions are not permissible

The terms and conditions of the appointment will be clearly set out in the Letter of Appointment.

Any such extensions will be reported in the Trust's Annual Report and Accounts, as directed NHS England.
