

## Front of neck access

\*We offer synthetic and sheep trachea practice with expert advise.

\*We encourage all specialties to have a go –this is one of our senior ODPs being the anaesthetist!

Have a try at US for FONA!

# Have a go!

We work hard to provide a wide variety of equipment for you to try, learn about and choose your 'go to' in an emergency.....

We enjoy continued support from

- Karl-Storz (Fibre-optic scopes and C-Mac)
- Verathon (Glidescope)
- McGrath
- Sonosite
- Airvo Optiflow
- Our own Sheffield Teaching Hospitals airway lab
